

**Ultra High Speed Dual USB Charger with 15/20A
Duplex Tamper Resistant Receptacle
Interchangeable Face Cover**

61501-TR2USB-CC
62001-TR2USB-CC

Description:

Enerlites TR2USB-CC, is the Industry's first 4.8A, 5VDC interchangeable face dual USB charger with 15A or 20A tamper resistant receptacle. Our High Speed USB ports deliver the most advance charging needs of each device simultaneously and optimizes the current by a smart chip to reduce charging time. Our high speed USB chargers give you the ability to charge virtually any device without the use of bulky adapters that can be lost or misplaced, while continuing to power traditional electronics, i.e. lamp or television in the same receptacle.

Features:

- Industry's first dual USB high speed charger at 4.8amp, 5VDC
- Charge most compatible electronic devices directly without an adapter
- Tamper-Resistant Shutters, compliance with 2011 NEC code
- Replace a standard duplex receptacle
- Back and side terminals for easy installation
- UL/CUL Listed
