Description:

The 1-Gang Floor Box Assembly Soft Pop-up Decorator Type is used for carpet and wood floors. Pop-up covers provide easy access to power and can be snapped closed when not in use. Kit assembly includes a metal floor box, a receptacle, and a cover.

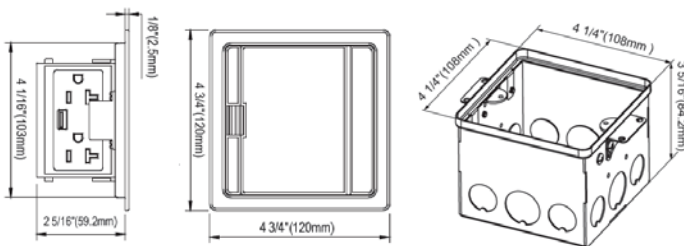

Features:

- 20A 125V Duplex Tamper Receptacles with GFCI or 4A 5VDC USB ports.
- For use with carpet and wood floors.
- Steel floor box must be flush or attached to sub floor prior to final installation. Also great for counter-top applications.
- Easy connection wiring accepts #12-10 AWG stranded and solid copper wire.
- IP44 Waterproof assembly and smooth pop-up transition ensure long life span and reliable performance.

Testing & Code Compliance:

- Compliance with 2011 NEC Article 406.12 for tamper-resistant receptacles
- Compliance with 2011 NEC Article 314.27 for floor boxes.
- All tamper resistant receptacles are UL listed.

Dimensions:
