

50AMP 125/250V Power Outlet Box Weatherproof Outdoor Enclosure

Model No.: 66500M

Description: The ENERLITES 66500M is a 50A receptacle box designed for outdoor use. Unlike the standard 66500 NEMA 14-50R outlet, the 66500M comes built into a heavy-duty lockable enclosure made from thermoplastic material. This makes the power outlet box resistant to damage caused by heat, impacts, and year-round weather conditions. The NEMA 14-50R weatherproof receptacle is perfect for RVs, motor homes, electric vehicles (EV), generators, welding equipment, and more. For best results, use with the 66351-BK plug from ENERLITES (sold separately). Please check with your vehicle manual or manufacturer to ensure that the NEMA 14-50R is compatible with your vehicle(s).

Features:

- NEMA 14-50R receptacle 125V/250V, power for your RV, trailer and electric car at camping ground.
- Knockout Hole by using knockout punch kit, multiple punching locations for you to choose.
- High-quality box, can be installed outdoors and indoors, work with your motor home, EV car, generator, welder ect.
